players: 2 - 5

age: 10+

time: 60 minutes

components	80 Tree cards, 32 Receipt cards, 150 Fruit , 30 Workers
set up	<ol style="list-style-type: none"> Organize the Tree cards and Receipt cards into individual face-up draw decks by type. Create face-up Community Grove of 2 of each ancestral Tree card: kumquat, micrantha, citron, mandarin, pomelo <ul style="list-style-type: none"> For a 4- or 5-player game, use 3 of each ancestral Tree card. Use 1 Worker of each color to track turn order. Set aside the remaining Workers.
season reset	<ol style="list-style-type: none"> Update the turn order tracker for each Season: <ol style="list-style-type: none"> For the first Season, determine turn order randomly. For all subsequent Seasons, count up the points across your Tree and Receipt cards. <ul style="list-style-type: none"> The player with the fewest points goes first, then the next fewest, and so on. In the case of a tie, determine the tiebreaker randomly. "Grow" 1 Fruit on each Tree card, up to a maximum of 3 Fruit per Tree card. <ul style="list-style-type: none"> If there are not enough for a full reset, prioritize the Community Grove. Then evenly divide the remaining Fruit amongst the players. Each player can choose which Tree cards to prioritize in their Personal Grove. Gather your Workers: <ol style="list-style-type: none"> 2 Workers for Seasons 1 and 2. 3 Workers for Seasons 3 and 4. 4 Workers for Seasons 5 and 6. 5 Workers for Seasons 7 through 10.
gameplay	<ol style="list-style-type: none"> On your turn, place Workers on Tree cards in your Personal Grove or the Community Grove. <ul style="list-style-type: none"> Once placed, a Worker cannot be moved until the following Season. Two Workers cannot claim the same Tree. Using these Workers, and/or previously placed Workers, take 1 card: <ol style="list-style-type: none"> Take a Receipt card, based on the indicated Fruit. Add to your score pile. <ul style="list-style-type: none"> You can only take 1 Receipt card of any particular type per Season. Plant a Tree card, based on the indicated Fruit. Add to your Personal Grove. <ul style="list-style-type: none"> You can only take 1 Tree card of any particular type per Season. Players continue taking turns, in order, until their Workers cannot take any more cards. <ul style="list-style-type: none"> Note that in a given Season, each player may take a different number of turns.
end-game	<ol style="list-style-type: none"> The game ends after the Season in which any of these conditions is met: <ol style="list-style-type: none"> A player reaches 200 points. There aren't enough Fruit for a full season reset. All Receipt cards or Tree cards have been taken. It's the 10th Season.
goal	<ol style="list-style-type: none"> The player with the most points across their Tree cards and Receipt cards wins.
